Erich Fromm The Art Of Loving DOP

The Art Of Loving Erich Fromm wrote the The Art of Loving (an enquiry into the nature of love) in 1956 and it became immensely popular during the sixties. By some it was considered a counterdraft to the sexual liberation movement of that time, but I don't understand it this way today.

Review of The Art of Loving by Erich Fromm

In his book, The Art of Loving, Erich Fromm gives theoretical descriptions and practical applications of love

in the widest sense of the word, descriptions and applications that are anything but shallow and trite. He describes the deepest roots of our yearning for love. Understanding these roots makes one's pursuit of love a purposeful effort with a purposeful result, rather than just hoping.
