### **Before Columbus The Americas of 1491 by Charles C Mann**

Before Columbus / 978-1-4169-4900-8 I am a huge fan of Mann's "1491", and I thought for the longest time that "1491" really needed a companion text - with pictures - to distill a lot of the wonderful material in his superb history book to a more reachable format. I was therefore delighted when this book became available on Vine, but I am a little disappointed that this feels more like a child's history text than a straight-up companion to "1491".
