[Comparative politics - Wikipedia](#)

Comparative politics is a field in political science, characterized by an empirical approach based on the comparative method. In other words, comparative politics is the study of the domestic politics, political institutions, and conflicts of countries.

[Pearson - Case Studies in Comparative Politics - David J ...](#)

Written by a new generation of area studies experts, Case Studies in Comparative Politics follows a questions-based approach that helps students understand different countries political histories, institutions, identities, and interests and why each country is politically interesting and relevant.

[Chapter 1: Introduction | Essentials of Comparative ...](#)

Comparative politics is the study and comparison of domestic politics across countries. Politics is the struggle in any group for power that will give one or more persons the ability to make decisions for the larger group.
