Essential reading for both students and scholars, *The Gendered Society* is an authoritative, incisive, and lively statement about contemporary gender relations from one of the country's foremost thinkers on the subject. Kimmel's companion text, *The Gendered Society Reader*, Third Edition (OUP, 2008), provides a perfect complement for classroom use.

[The Gendered Society by Michael S. Kimmel, 2000 | Online ...](#)

In *The Gendered Society*, Michael S. Kimmel examines our basic beliefs about gender, arguing that men and women are more alike than we have ever imagined. Kimmel begins his discussion by observing that all cultures share the notion that men and women are different, and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes. In
