John Lennon was, of course, an amazing musician and songwriter, but these books show that he was tremendously talented as an author, too. I read this entire compilation (which includes both "In His Own Write" and "A Spaniard in the Works") in one sitting. I enjoyed it so much!

[In His Own Write - John Lennon's First Book](#)

This book also makes John Lennon seem more human since he has become this legend you get to see this silly but still genius side to him. Just a warning don't try making sense of this book it will just give you a headache just read

it for kicks. To quote dear Mr. Lennon "this correction of short writty is the most wonderfoul larf I've ever ready."
