SARA FAWKES is the USA Today bestselling author of Anything He Wants, which was originally self-published as an e-serial novel and sold hundreds of thousands of copies. She lives in California, where she writes full time. Sara Fawkes (Author of Anything He Wants)
Sara Fawkes has always loved spinning tales, but her romantic roots come from sneaking her mother's old Johanna Lindsay books from the dresser drawer. She's been writing stories since she was a little girl (and has the home made books from preschool to prove it), and loves creating stories and characters and interesting messes for them to get into. An avid traveler and adventure motorcyclist
