I immediately read "ten poems to change your life" and was even more certain he was a conscious fellow traveler on the "path" of life. Pain had prompted him to look and search his own truth as well as many other avenues, in this way to find answers. To me he is a master at connecting us with many other authors, poets and thinkers.

Great poetry calls into question everything. It dares us to break free from the safe strategies of the cautious mind. It opens us to pain and joy and delight. It amazes, startles, pierces, and transforms us. It can lead to communion and grace. Through the voices of ten inspiring poets and his own reflections, the author of *Sacred America* shows [Ten Poems to Change Your Life Again and Again - Goodreads](#)

Every great poem invites us to step beyond what we know, what we think we can dream or dare. Great poetry is a catalyst for change: a change of mind, a change of heart, a change of life- and yes, over and over, again and again, with each new reading, and each new phase of our journey. [Amazon.ca:Customer reviews: Ten Poems to Change Your Life](#)

Now, I have my students searching for their own poems, poems that can change their lives. Housden's approach is refreshing. My list of ten life-changing poems would have been rather different. Nevertheless, I congratulate him on this success: a revolution of outlook, attitude, and overall perception.
