The Infernal Devices Clockwork Angel Clockwork Prince

Clockwork Princess is the stunning conclusion to Cassandra Clare s the Infernal Devices trilogy. The pacing of the third book is much brisker than its predecessor and immediately drags you into the plot. There are also significantly more scenes with action in them, which help to break up the scenes that steadily move the story along. As with the previous books, the story is very character-driven and continues to bring further depth to each character s personality.
