Wicked Appetite Janet Evanovich

Wicked Appetite. SEVEN STONES OF POWER. EACH IS SAID TO REPRESENT ONE OF THE SEVEN DEADLY SINS. For centuries, treasure hunters have been eager to possess the Stones, undeterred by their corrupting nature. The list is long Genghis Khan, Alexander the Great, Napoleon, to name a few. Now the Stones have found their way to Salem, Massachusetts, and so has Gerwulf Grimoire, adding himself to

Wicked Appetite (Lizzy & Diesel, #1) by Janet Evanovich

"Wicked Appetite" has everything I was hoping for from Evanovich: quirky characters, fun plot and a smidgen of romance. This is an incredibly light read but it's entertaining and amusing. I liked the characters, who are all a bit nuts in their own way.

Review: Wicked Appetite by Janet Evanovich - Cactus Pop

In Wicked Appetite, it is as though Lizzie and Diesel have that instant connection. I mean, he moves into her house and her bed (to sleep, everyone, to sleep!) almost immediately, but there is little beyond a few chaste kisses here and there. There is a lot of flirting though, that makes it feel like there is more going on than there actually is. Add in the whole forbidden fruit factor.

I enjoyed Wicked Appetite and thought this was a good addition to the series. Diesel is cute and sexy while Lizzy is relatively down to earth, still trying to figure out the

unmentionable-thing. Don't wait too long for #3, Janet!
